COLOMBIA THE CYCLISTS DESTINATION

MOVICH CYCLING

Committed to delivering the best experiences, we created Movich Cycling. Discover the magic and natural beauty of Colombia while riding on two wheels around the most charming corners of this amazing country.

Allow yourself to be delighted by the experience of getting deeply in touch with our unique culture while enjoying the best of personal riding challenges, astonishing landscapes, unique gastronomic bites and dishes, charming cities, towns frozen in time, and fascinating people.

Enjoy the best-curated cycling program in the country, where you will be able to enjoy not only great cycling but the best service at our hotel, bike services and shop, recovery, and additional activities that will take the experience to another level.

Colombia is the birthplace of renowned cyclists worldwide.

Cycling is a sport and a hobby widely practiced by Colombian people but most recently discovered by foreign travelers who want to enjoy this paradise by exploring the diversity found in its regions.

With diverse topography and weather, Colombia offers cyclists a wide variety of routes, from high-altitude mountain climbs to rainforest routes and flatter coastal circuits.

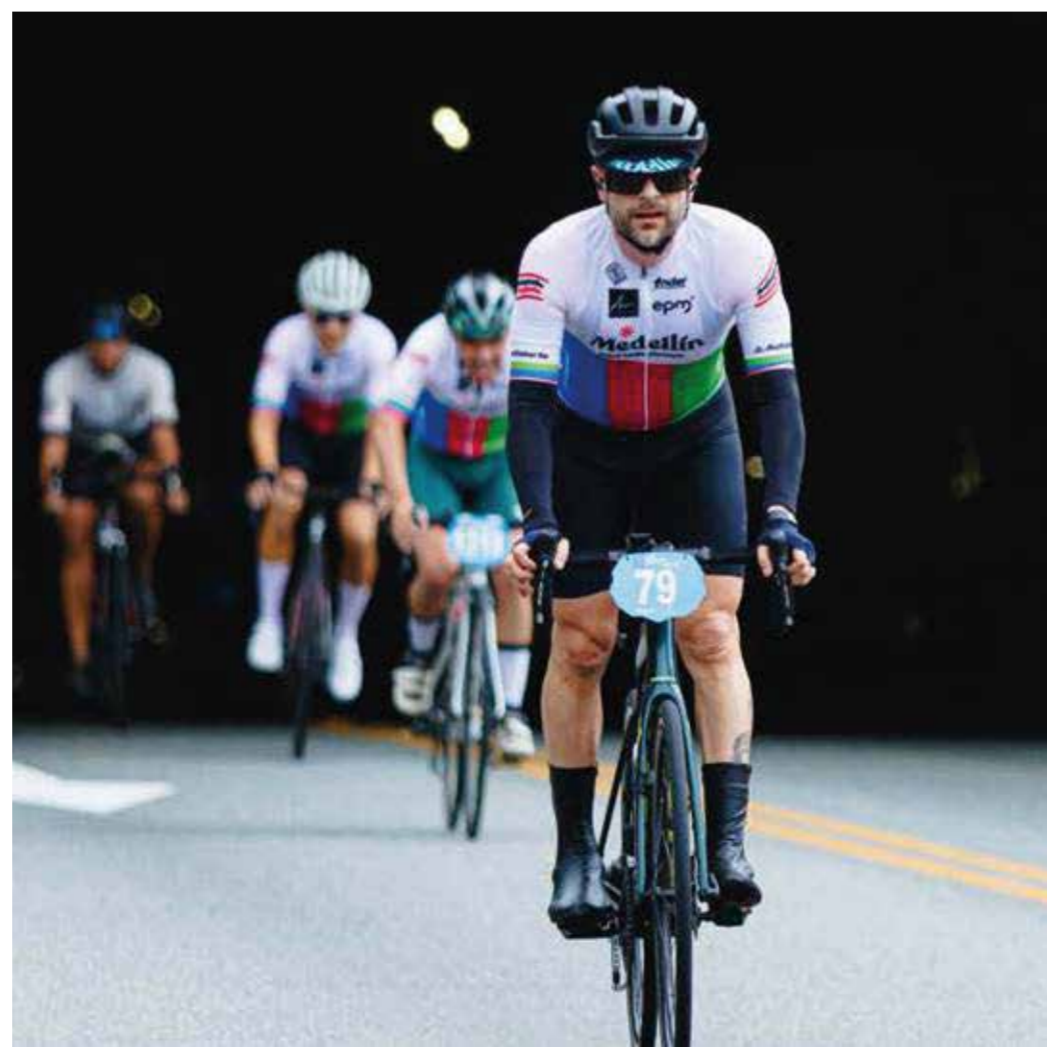

RUTA MEDELLÍN BY MOVICH CYCLING

Experience the excitement of Medellín's premier cycling event, brought to you by TEAM MEDELLÍN, Colombia's top cycling team. A celebration of passion, speed, and the spirit of cycling for all to enjoy!

Discover one of the most beautiful mountains, diverse landscapes, and vegetation, while heading to magical arrival points and destinations. Visit unique villages and colonial towns that will blow your mind. Admire the architecture, while trying a local dessert that will boost your energy.

If you have specific personal goals, we can always customize the routes to help you achieve them.
